

King Ferdinand and Marie to Be Crowned to-morrow

Ceremony Will Take Place in Transylvania Village Awarded to Rumania.

BUCHAREST, Oct. 13 (Associated Press).

The royal family, members of the nobility, foreign guests, members of the diplomatic corps and Ministers of the crown will leave Bucharest to-morrow evening for Alba Julia, Transylvania, where the first ceremony of the coronation of King Ferdinand and Queen Marie will take place. A general amnesty was proclaimed in favor of prisoners convicted of offenses under the common law, except for high treason and conspiracy against the safety of the state. War protesters and speculators also are excluded from the amnesty.

The National party of Transylvania and the peasant party have been proclaimed enemies, and they will refrain from participation in the coronation ceremonies as a protest against the Bratianu Government.

Marshall Poch, the Duke of York, Don Carlos, Infante of Spain; and the Duke of Genoa, who will represent France, Great Britain, Spain and Italy respectively, arrived here last night.

Crown Weighs Four Pounds.

The crown of solid gold, weighing 3,600 grammes, or nearly four pounds avoirdupois, to be worn by Queen Marie at the ceremony, arrived at Alba Julia in a special train. The crown is made of solid gold and is encrusted with heavy gemstones. It was made in Paris from gold mined in Transylvania and is the gift of the Rumanian people to their queen. The Byzantine design of the crown is enriched by precious gems. Large colored turquoises, several rubies and emeralds, and a large hued amethyst combine with moonstones, the Queen's favorite gem, to make a dazzling array. Crowning at Ancient Shrine.

Alba Julia is an ancient national shrine in that section of Hungary situated in the heart of the Carpathians and is the birthplace of the hero Michael the Brave, who was called the Father of his Country by only 6,000 inhabitants, but for the next two days will be the object of a pilgrimage by fully 200,000 loyal subjects, mostly Transylvanians dressed in picturesque costumes.

After the cathedral ceremony at Alba Julia a military review will be held and then the royal party will return to Bucharest, arriving Monday morning. In the afternoon a grand pageant, illustrating the various phases in the country's history, will be held in the city. The pageant will feature a parade of the various phases in the country's history, will be held in the city. Daughter of Late President Takes Trip for Health—Other Sailings.

Dr. and Mrs. Richard Derby, the latter formerly Miss Ethel Roosevelt, will start for Europe to-day by the President Roosevelt of the United States lines, a ship named for the President.

The trip is primarily for the benefit of Mrs. Derby's health, who is recovering slowly from the shock of the death of her 8-year-old son, Richard Derby, Jr., on October 3.

Others among the passengers will be Mr. and Mrs. Edgar A. Iglehart, Evanston, Ill., who were married there on October 10 with J. Stuart Robertson, assistant freight manager of the United States lines, as best man. Their marriage followed another of the war romances, while he was overseas with the navy. The girls of Evanston, including Miss Aline Elizabeth Elles, sent comfort kits to the men in the service in France. The kit sent by Miss Elles reached Mr. Iglehart. He thanked her and she replied. Regular correspondence preceded his return home from the war. Their acquaintance by letter led to their engagement a year ago.

The President Roosevelt also will take over James Morrison Taylor, United States Consul to Frankfurt-on-Main; Miss Fanny Taylor, wife of W. A. Blodgett, Mrs. Minnie Andrus, Mrs. M. G. Chapman and Mrs. Henry Harbermann of Jersey City, whose husband is president of the Export Steamship Corporation and the Locomotive of the French Line will go out to-day with the following: Robert L.
